## President's corner

Untitled, due to the *cancel culture* and not wanting to offend anyone and face CAPITAL punishment.

My apologies S to all on the H tardiness A of this missive. Cyd and G I have been getting our house ready to sell and I was just too tired to think.

By now, you L have probably figured out I that we ain't dancing yet. The board V had a meeting on June 30th. The unanimous E vote was to go with the S opening sentence we have for all board meetings. "Everything we do and vote on in this meeting will be done in the best interest of the Colonial Shag Club and its members." And that's exactly what we think we did.

We could M not find a way to guarantee the health and A safety of all of our T members based on the guidelines T from the governor. The temperature checks, social distancing (6ft from your partner E shagging), masks or no masks, finding R table space, clean the bathrooms and everyone's hands, and a dozen other problems.

We are taking a wait-and-see position to see what in the heck happens in the coming weeks that will make it safe to bring our club back together for an evening of music and dance. As soon as we can safely return to dancing, we will.

If you would like to send me some input, please feel free to do so. I'm sure many of you know a lot more about this than I do. Maybe you know something that will get us dancing sooner.

So, while we wait, practice, practice, practice. There will be a shag test at the end of this CV-19ner test. Stay safe and healthy. And enjoy the new things you're finding to do. Like getting your house ready to sell.

This week's President's pick is "Just give me some kind of sign girl" by Brenton Wood. Hope you like it.
